CSI is holding its 51st Annual Convention in Coimbatore from 23-25 Jan 2017 wherein more than 1000 IT professionals and students from all over India and abroad will participate. The theme of the Convention is "Digital Connectivity-Social Impact". Download the convention app at (www.csi-2016.org)

4th CSI DISCOVER THINKING PROGRAMMING CONTEST

CSI has been conducting "Discover Thinking" series of Online Programming Contests for the last few years to provide students a platform to showcase their programming skills. This contest is well received with several thousand students participating in it every year. The 4th edition of this contest is to be conducted in the coming weeks with the support of Reliscore (www.reliscore.com) as the testing partner. This edition is being conducted to coincide with the CSI Annual Convention CSI 2016
